**Southwest Surgeons Panel Meeting**

Dr. Kimball was the main speaker and instructor at a recent meeting of surgeons who specialize in total knee replacement.

The Southwest Surgeons Panel meeting was held in Newport Beach, California April 29th and 30th.

Dr. Kimball shared his experience with Computer Assisted Total Knee replacement and Minimal Incision Total knee replacement.

Dr. Kimball also led group discussions sharing technical tips with the surgeons on the panel. The meeting was attended by total knee surgeons from California, Colorado, Arizona and Nevada.
